*Container codes: MC-Metal Can, GC-Glass Container, SC-Screw Cap, MT-Metal Tube, PC-Plastic Container, AC-Applicator Cap.

Working Time: Time available to make the bond

Fixture Time: Time required before fixturing or clamping can be removed and gentle handling of the part may occur. See Technical Data Sheets for more information and cure times.

Shelf Life: Begins on the date of manufacture. Expired shelf life does not necessarily mean the material has gone bad, but it is beyond IPS's warranty guidelines. Use expired materials at own risk.

TEST: It is the customer's responsibility to always test products before proceeding to assure compatibility and bond strength.

TERM AND CONDITIONS

PRODUCTS ARE SOLD IN CASE LOTS ONLY.

DROP SHIP FEE: ALL DROP SHIP ORDERS LESS THAN \$1250.00 WILL INCUR A \$100.00 DROP SHIP FEE. PRODUCTS ARE SOLD IN CASE LOTS ONLY.

TERMS OF SALE: Net 30 days.

MINIMUM ORDER: \$100.00 Net.

FREIGHT TERMS: IPS Corp. will pay freight to one destination within the United States on Weld- On° orders meeting a minimum of 500 lbs or \$1,250.00 net. Shipper reserves the right to choose the method of shipment and choice of routing.

RETURNED GOODS: IPS Corp. will not accept returned merchandise without prior authorization for RGA Number, which must be displayed on the outside of the shipping carton and packing slip. Authorized returns must be in full case quantities, shipped prepaid and are subject to a 25% Restocking Fee. IPS Corp. will not accept merchandise that has been discontinued or merchandise with less than half of the shelf life remaining. WARRANTY: IPS Corporation ("IPS Corp.") warrants that all new IPS Corp. products shall be of good quality and free from defects in material and workmanship for the shelf life as indicated on the product. If any IPS Corp. product becomes defective, or fails to conform to our written limited warranty under normal use and storage conditions, then IPS Corp. will, without charge, replace the nonconforming product. However, this limited warranty shall not extend to, nor shall IPS Corp. be responsible for, damages or loss resulting from accident, misuse, negligent use, improper application, or incorporation of IPS Corp. products into other products. In addition, any repackaging of IPS Corp. products also shall void the limited warranty. IPS Corp. shall not be responsible for, nor does this limited warranty extend to, consequential damage, or incidental damage or expense, including without limitation, injury to persons or property or loss of use. Please refer to our standard IPS Corp. Limited Warranty for additional provisions.

Each Weld-On cement is developed for a specific purpose by skilled technicians in our well equipped laboratory. Every production batch of Weld-On cements is checked to assure that consistent quality is maintained. All retained batch samples are kept for a period of at least one year. A batch identification code is stamped on each can which gives the date of manufacture to facilitate your stock rotation. To assist you in the proper selection of Weld-On products, a Product Selection Guide is available. For proper selection of Weld-On products, it's important to know the specific materials being bonded. We will be pleased to send "no charge" samples for your evaluation.

Weld-On products are intended for use by skilled individuals. We urge users to verify by tests that these products, as well as the recommended methods, are suitable for the materials being used in their application. Technical Data Sheets and Material Safety Data Sheets should be read before using our products.

READ ALL PRODUCT TECHNICAL DATA SHEETS AND MATERIAL SAFETY DATA SHEETS BEFORE USING ANY OF THE LISTED PRODUCTS.

The information on this Price List is a brief description only. The Buyer/User should contact IPS Corporation or a local distributor to get full detailed technical data and safety information.

ALWAYS TEST PRODUCTS ON SUBSTRATE TO ASSURE COMPATIBILITY AND BOND STRENGTH
